

NEUTRAL AIR PARTNER AND TCS WORLDWIDE TEAM UP AS STRATEGIC PARTNERS

Schiphol / Hong Kong, 25 May 2021

After a successful start earlier this year, the neutral provider of time-critical solutions TCS Worldwide, is ready to take the next step in strengthening their position in freight forwarding. The company recently teamed up with Neutral Air Partner.

"Freight forwarders, located in different corners of the world show a growing interest in onboard couriers. Their customers in industries such as automotive, aerospace, pharma and fashion, demand a logistical solution to avoid disruption of production lines. TCS Worldwide, a neutral provider of time-critical solutions, offers forwarders a customized proposal for their customers' needs. NAP's comprehensive network of air cargo logistics providers combined with the experience of TCS Worldwide makes a perfect, strategic partnership for time-critical consignments", said Sander van Woesik, GM of TCS Worldwide.

"We are delighted to welcome TCS in our air cargo logistics family. TCS's time-critical solutions will further assist our efforts to provide be-spoke, and innovative time sensitive supply chain solutions to the trade with no boundaries and will deliver tremendous value to our group and to our members. TCS is an excellent addition to Neutral Air Partner's sub-industry group NAX 24/7, comprised of leading and independent time critical logistics firms, aiming to advance the interests of the time sensitive and emergency logistics industry", said Christos Spyrou, CEO of Neutral Air Partner.

About Neutral Air Partner

Neutral Air Partner (NAP) is the premier global network of leading air cargo architects and aviation specialists, dedicated to providing innovative air cargo solutions to the global supply chain and the logistics community. The organization was founded in Hong Kong in 2016, which is home to the world's largest cargo airport, aiming to inject a greater degree of advanced air cargo expertise into the logistics industry, revive specialization, and to drive airfreight and express buying power across the air cargo supply chain.

The group is positioned amongst the world's largest & top IATA air cargo logistics providers, counting over 300 like-minded experts from 150 countries.
